

Looking for funding?

This guide to raising funds explores some common misconceptions and sets out what you need to have in place before you start fundraising. It looks at how to find the funders and write effective proposals, and includes practical exercises and detailed guidance on how to plan for fundraising.

£16 SCVO Members
(£20 non-members)

An essential directory of potential funding sources for Scotland's third sector organisations. Contains details of over 250 sources of funding, indexed by main subject area. Provides descriptions of grant making policies and practices, and full contact details.

£20 SCVO Members
